

LEADING FROM THE SECOND CHAIR

A one-day seminar to equip and encourage vocational and volunteer church leaders to realize their full potential in their ministry.

Do you wish that more resources were designed for your unique role in the church? Have you ever struggled with the tension of using your leadership gifts and being a loyal subordinate? Do you have God-sized dreams for the future and find it difficult to be content with the present? Join with fellow leaders as we explore the paradoxes of the second chair and the powerful ways that God can use you in His Kingdom.

About the Seminar Leaders

Mike Bonem and Roger Patterson will be the lead presenters for "Leading from the Second Chair" and are co-authors of the book by the same title. They bring a unique mix of experience as vocational and volunteer second chair leaders in the church, in business, and as coaches and trainers for first and second chair leaders across the country.

Dr. Dan Reiland, Executive Pastor, Crossroads Community Church

Somebody said the hardest instrument to play is 2nd fiddle. But since Jesus had one or two things to say about serving and submitting, this is a rich field. Mike and Roger have addressed a key need with wisdom and clarity.
